1 · 15:52 · St. Gertrud (Hamburg-Uhlenhorst)

The Evangelical Lutheran St. Gertrud-Kirche in the Hamburg district of Uhlenhorst is a neo-Gothic building by Johannes Otzen. Today's church at the Kuhmühlenteich, located on the street Immenhof, was built as a successor to the medieval Gertrudenkapelle destroyed during the Great Fire of 1842. The name of the church goes back to the Virgin and Saint Gertrude of Nivelles.
